Tooele County
Fire Department

435-833-8123

tooelecountyfd@gmail.com

Next Steps in the Process:

1. Town Governments Pass a Resolution to Include their Jurisdiction.
2. Tooele County Passes a Resolution of Intent to Form a District.
3. Tooele County Holds a Public Hearing.
4. Tooele County Passes a Resolution to Form the District.
5. The District or County Pass a Resolution Proposing a Tax Levy Ballot Question for November 2021

Is there a tax increase?

If a district is formed; registered voter's in the final district boundary will be asked to approve or deny a Fire District Tax Rate of .000654

For a taxable property valued at \$200,000 this would be an increase of \$10.90/Month which is \$130.00/year. Note that Greenbelt Acres are taxed on their ability to produce rather than their value (Utah Farmland Assessment Act).
